NEW HORIZONS

We are a new generation.
A generation that was born and youthful in the fifties,
A generation that matured in the sixties,
And now, as the sixties draw to a close,
We are a generation facing new horizons.

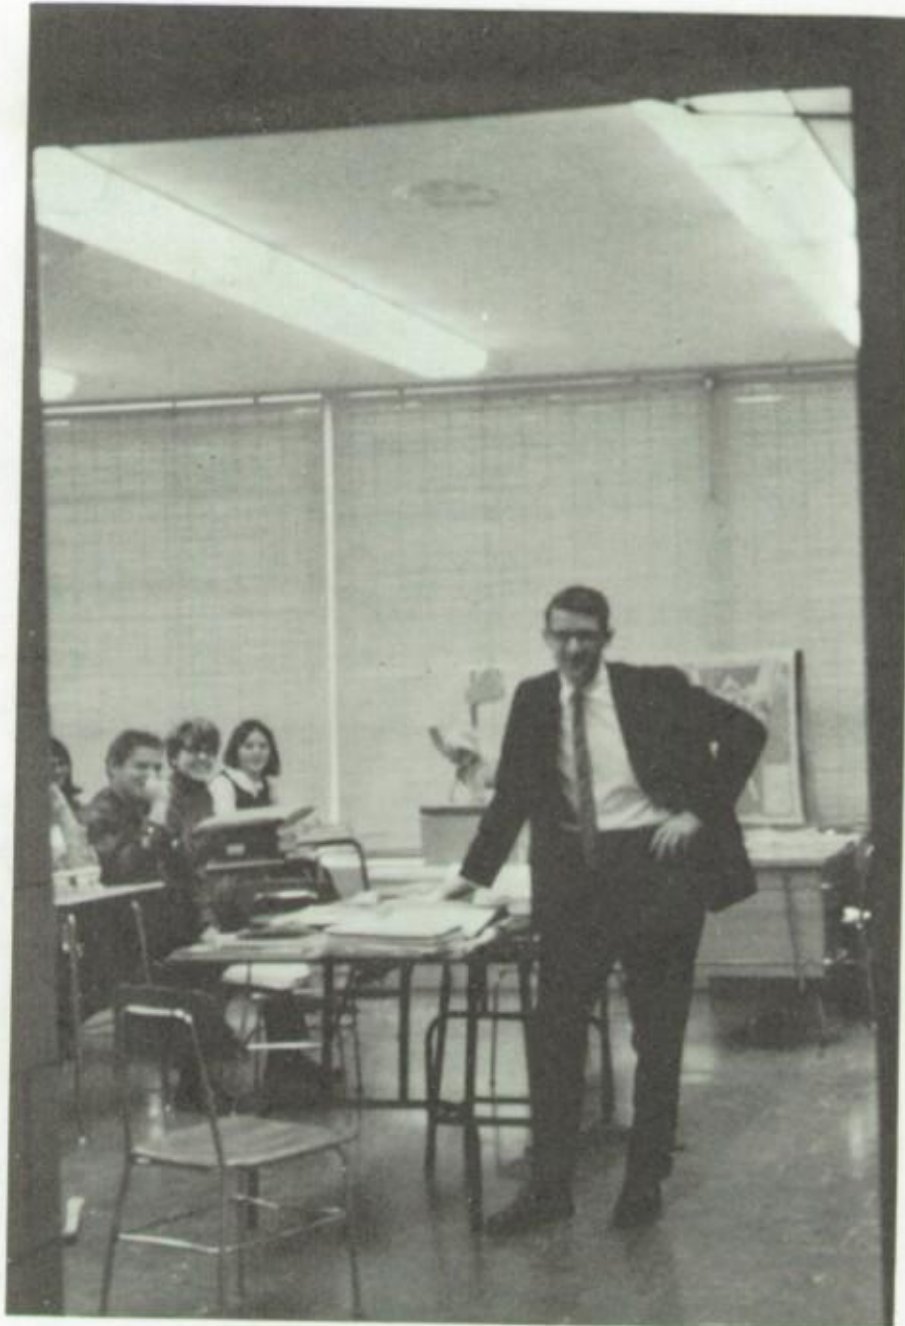

We know not what these horizons will bring.
We look into the horizon,
And our eyes try to penetrate the mist that surrounds it,
But we cannot see what these horizons hold in store for us.

The purpose of this, the 1969 Apiary
Is to show you a part of the past—
A part of our lives that is gone, but not forgotten.
And maybe, through looking at the past,
We will be able to catch a glimpse
Of what lies behind those clouds that obscure the future—
And the New Horizons, that we, the class of 1969, must now face.

BERGEN,
NEW YORK

BYRON-BERGEN

BYRON-BERGEN IS EDUCATION

- . . . a thoughtful minute while studying
- . . . the casual atmosphere of an art class
- . . . looking toward the future

. . . COMPETITION

. . . the final burst of speed at the finish line
. . . a quiet moment before the big meet
. . . shinguards and spikes
. . . a victory within reach

. . . EMOTION

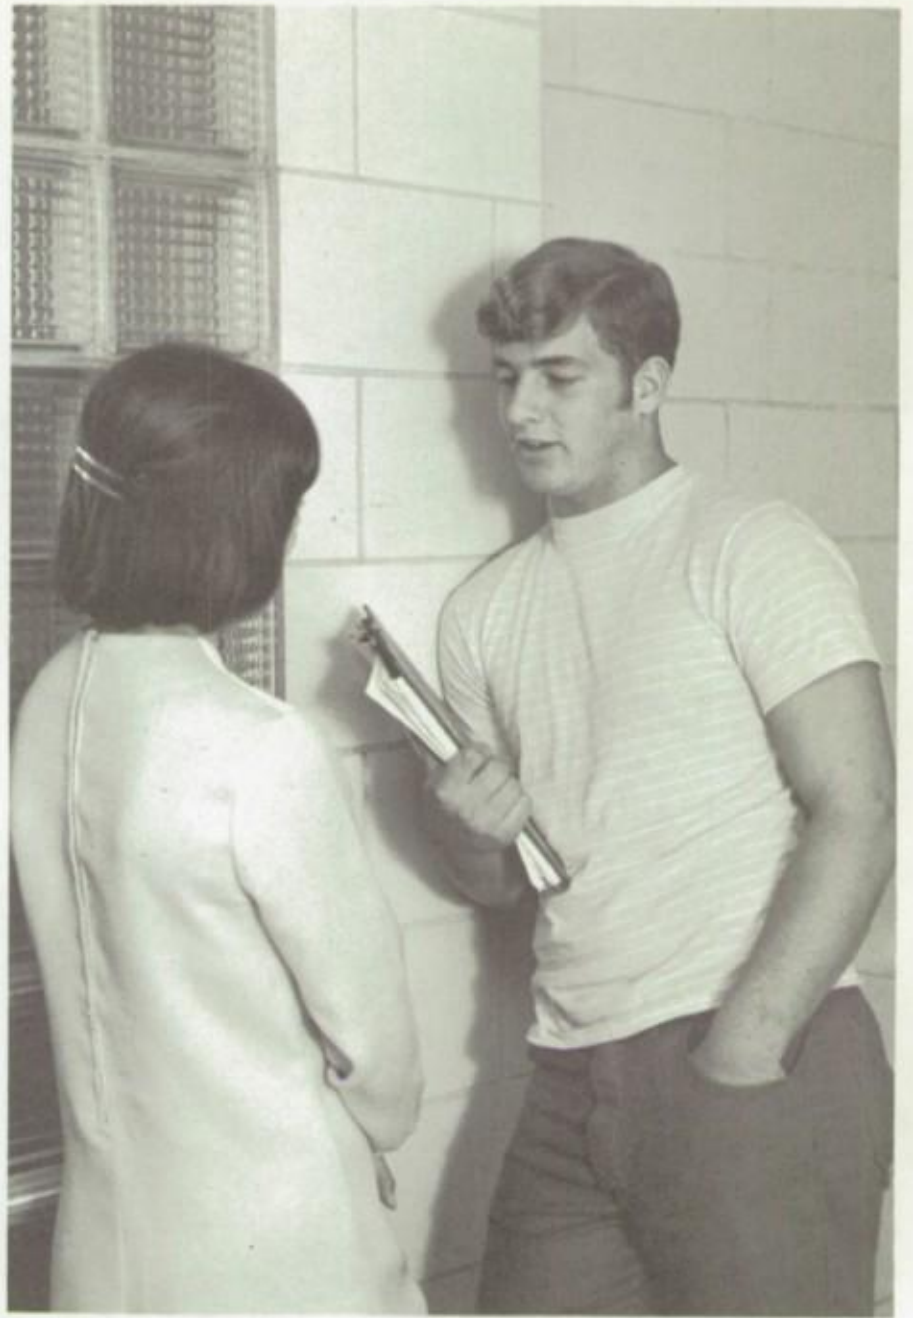

. . . sore throats and stinging hands
. . . victory in a cheerleader's smile
. . . the satisfied look of achievement

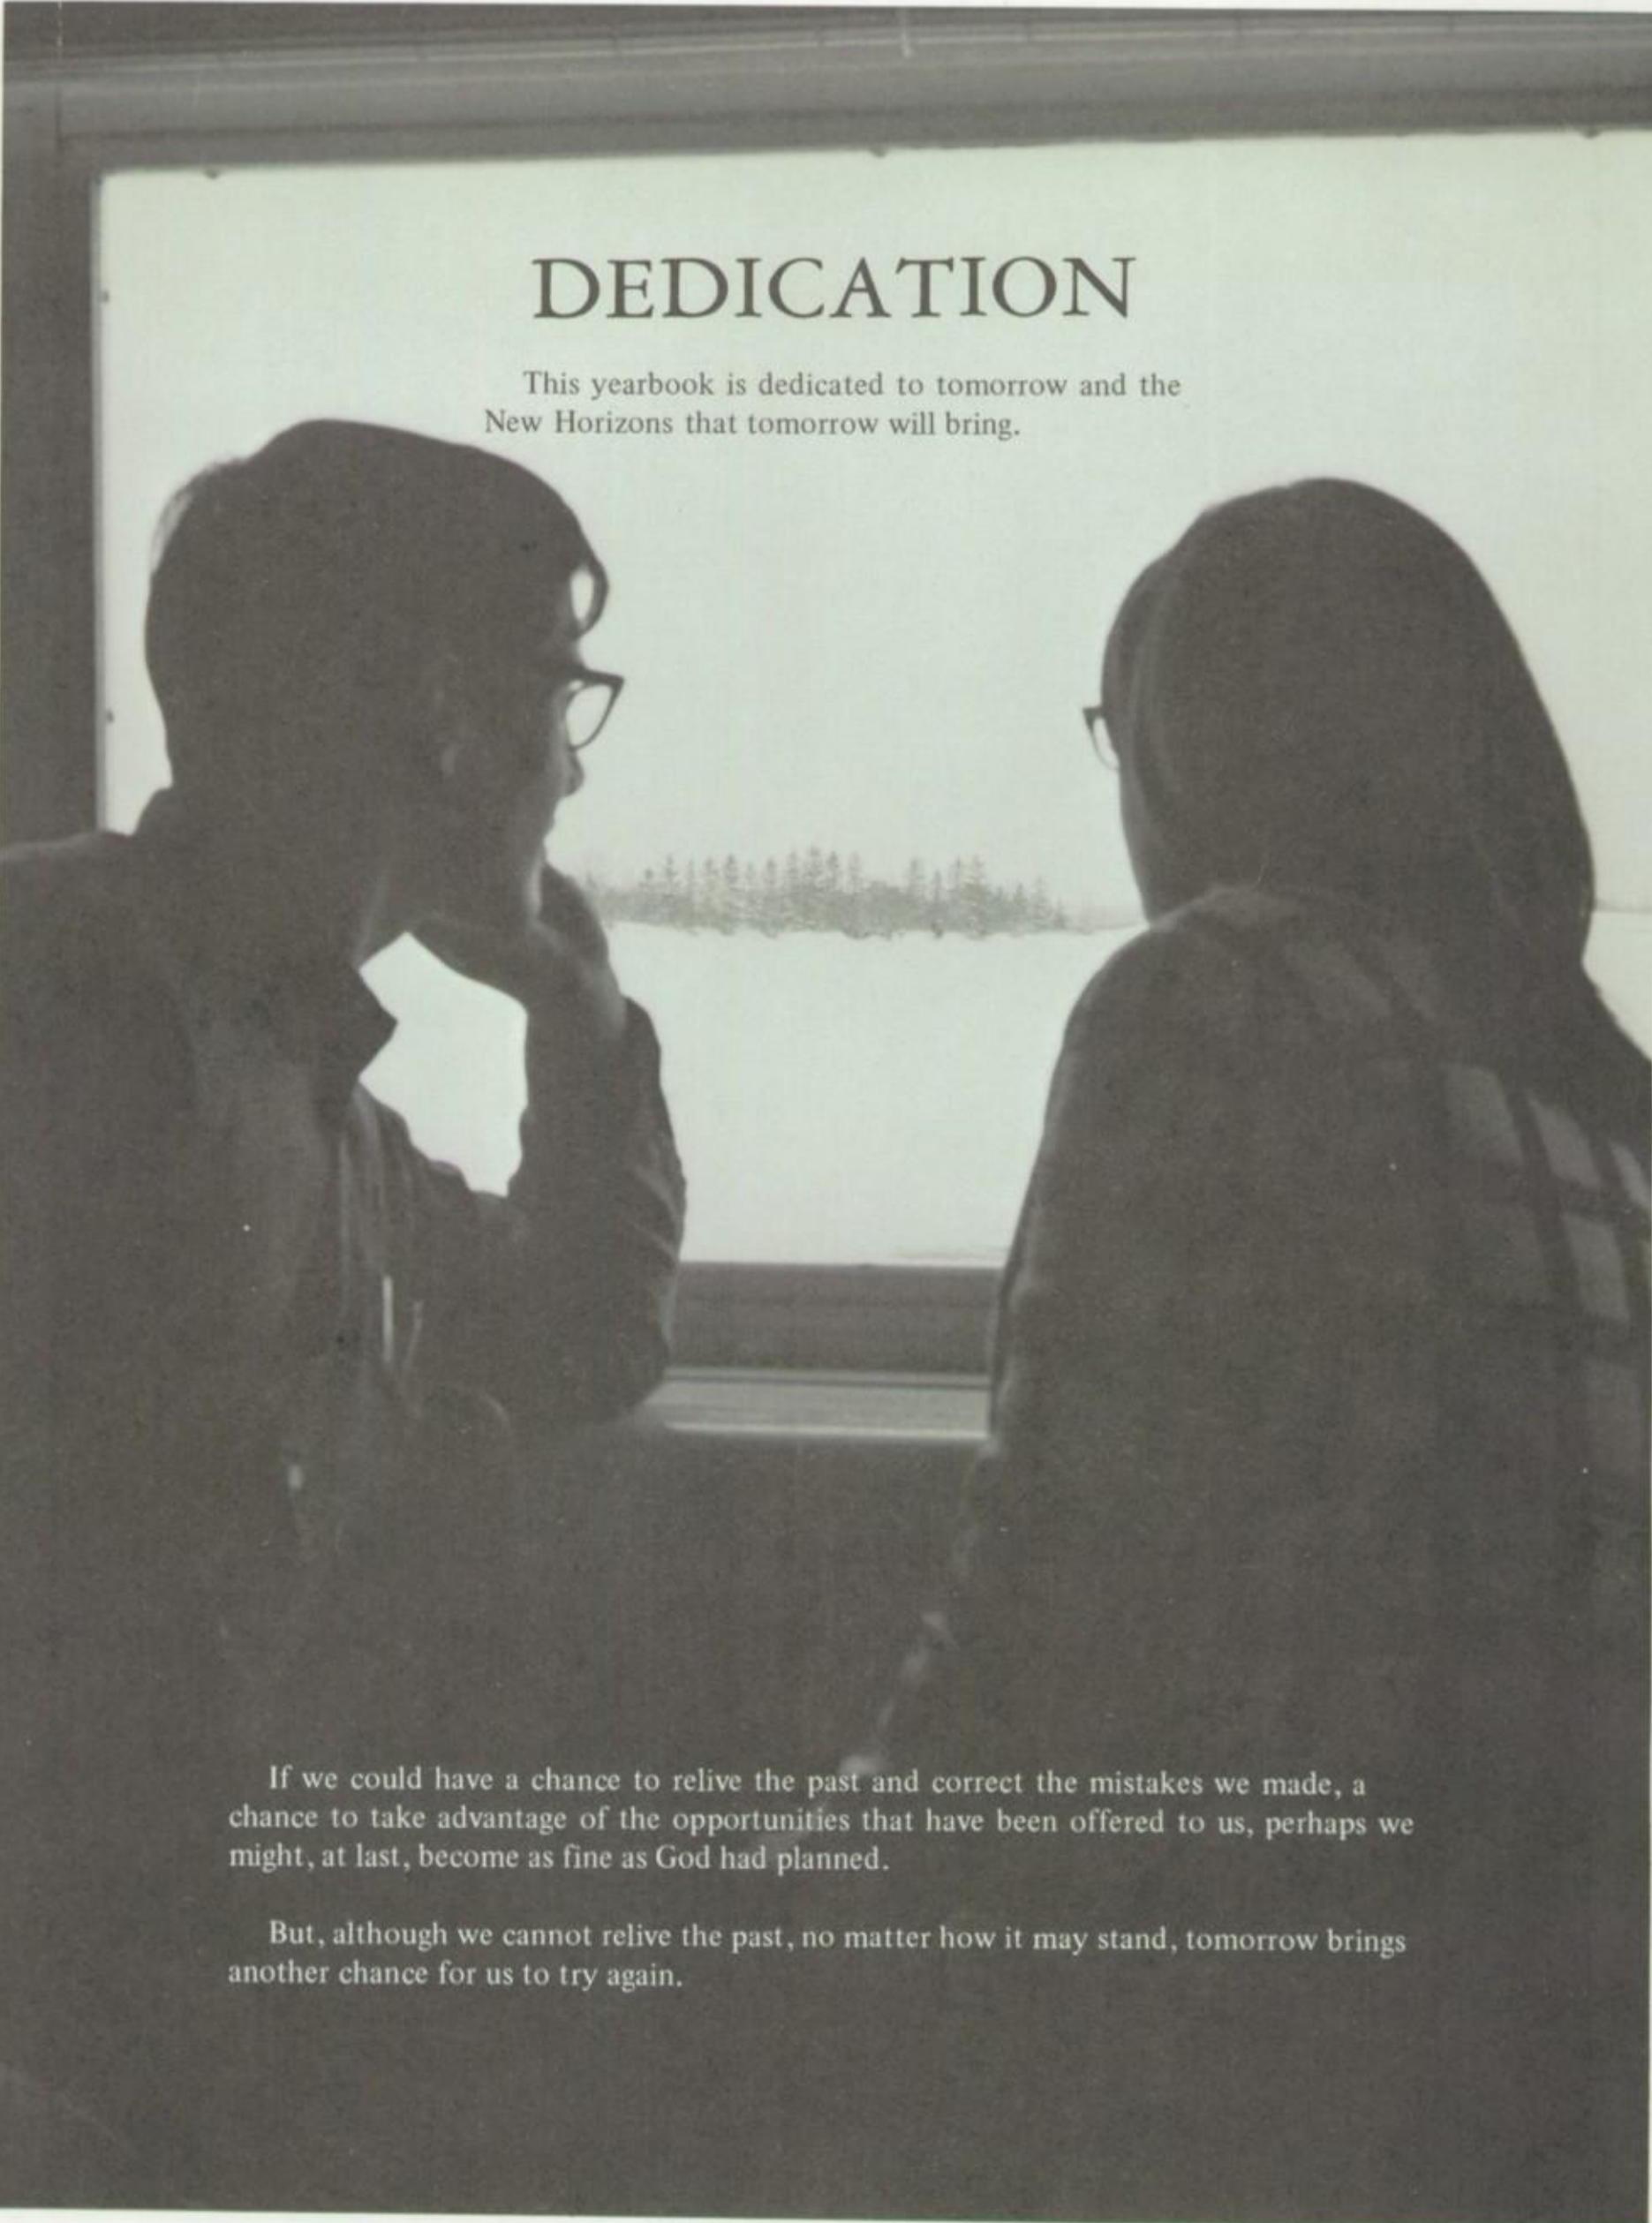

. . . STUDENT LIFE

. . . a quick nap before buckling down
. . . a bout with the apple machine
. . . cherished moments to remember forever.

DEDICATION

This yearbook is dedicated to tomorrow and the New Horizons that tomorrow will bring.

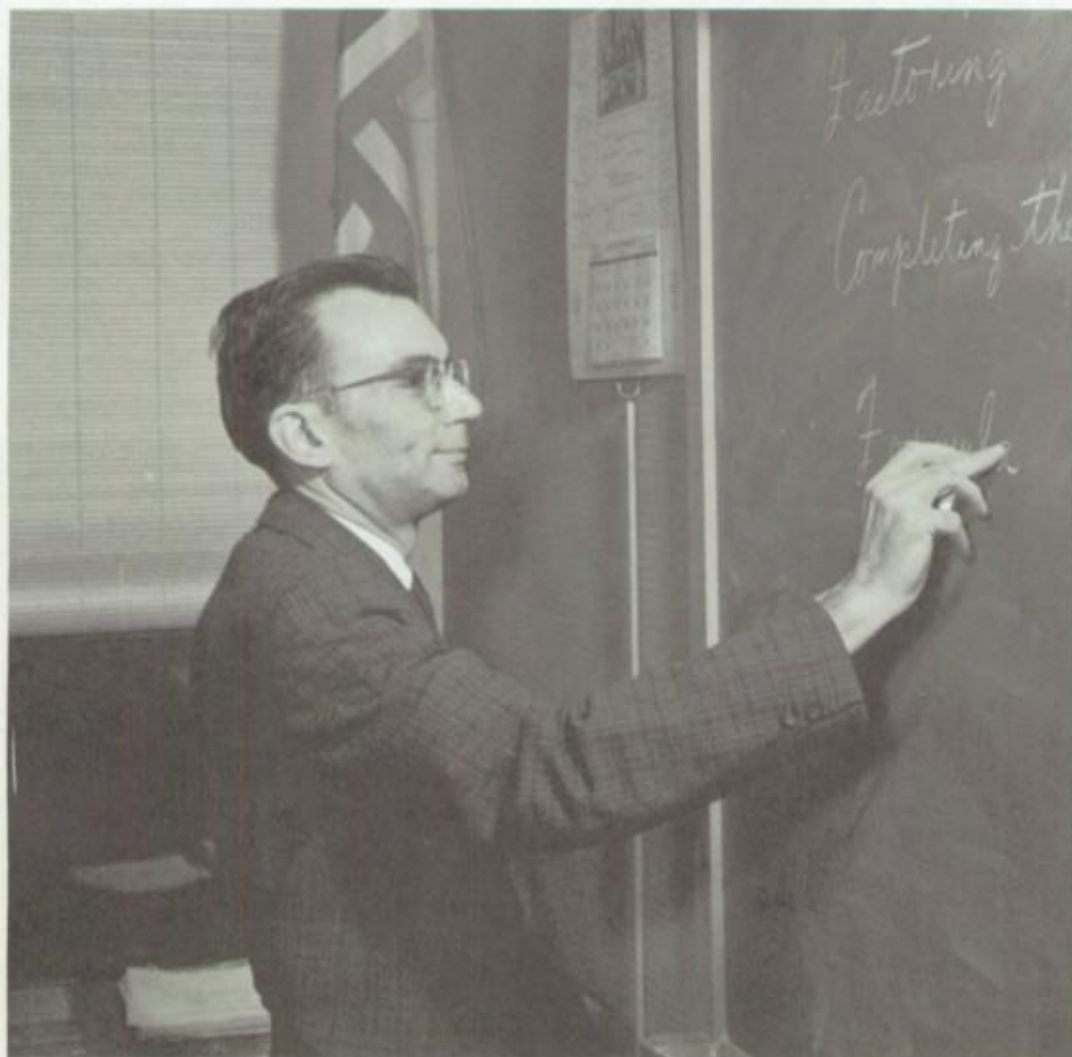

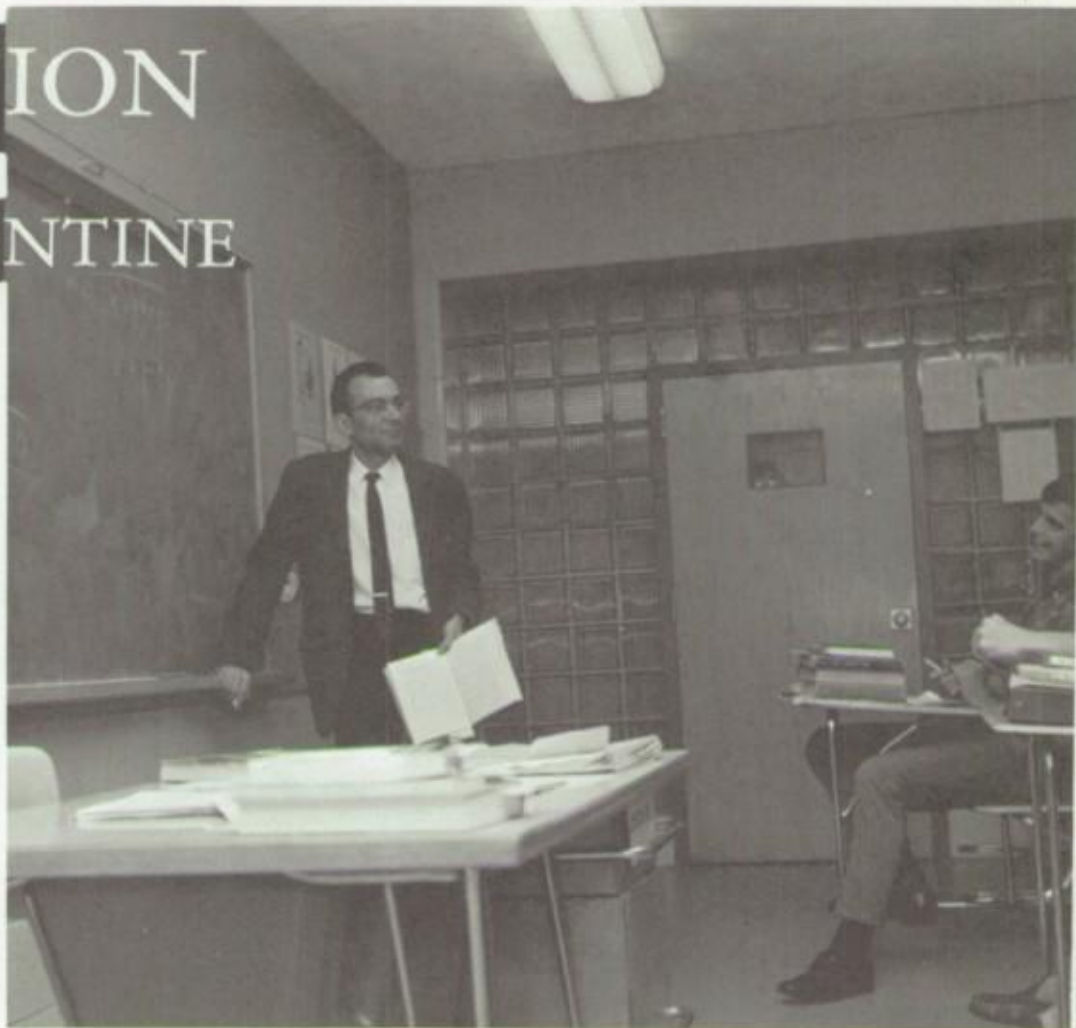

If we could have a chance to relive the past and correct the mistakes we made, a chance to take advantage of the opportunities that have been offered to us, perhaps we might, at last, become as fine as God had planned.

But, although we cannot relive the past, no matter how it may stand, tomorrow brings another chance for us to try again.

IN APPRECIATION

MR. GEORGE CONSTANTINE

The Seniors would like to express their thanks for the aid and encouragement the faculty has given. We would like to show our appreciation to one man in particular who has served Byron-Bergen Central for the last eighteen years. During this time he taught chemistry, mathematics, and science. For several years he headed the Guidance Department. Always ready and willing to help his students, the man we honor is Mr. George Constantine.

Mr. Constantine's sincere willingness to assist dates back to junior high when he helped to plan our high school schedules. He has helped many of us to complete successfully the "struggle" through algebra, geometry, trig and even calculus. In our sophomore year he was class advisor and greatly aided in making a success of our activities. We will long remember Mr. Constantine, his math classes, and his "war stories".

Thank you, Mr. Constantine, for being a fine teacher and a sincere friend.

THE DIFFERENCE

Their Story

Organized early in 1968, the Difference make their first public appearance as an all-Junior group at the 1968 Junior-High All County Festival. As the year progressed, so did the practice sessions, song selections, and appearances of the group around the area. When they entered school in September as seniors, 3 additional members were indoctrinated into the ranks, including their fellow senior and foreign exchange student from Japan. Now, in 1969, their final year together, the Difference looks back and recognizes those who helped them; Mr. Arthurs, the student teacher who encouraged their organization; Mr. Roy, who came through when they needed him; and all who gave them the chance to do what they enjoyed most, performing for the public. To all, the Difference says, "THANK YOU."

OUR AFS CLASSMATE YOKO SASA

This year, Byron-Bergen was honored to have Miss Yoko Sasa, of Akita, Japan, as our visiting A.F.S. student. Her American family was Mr. and Mrs. Willis Howe and her sister Marsha, a member of the Class of 1969. We all enjoyed having Yoko as a student and foremost, as a friend. We hope that she will always retain as fond memories of us as we shall of her.

Yoko and Marsha.

The 1968-1969 Season in Varsity Basketball marked the best year, and the best team we've had for a long while. Not only did the explosive fast break offense help us to achieve a 14 win 4 loss record in the G-O League, giving us third place over-all; it also drove the team through to the first sectional playoffs B.B.C. has participated in since 1961.

The team's high scorer and rebounder this year was Gary VerCrouse, who also ranked as top scorer in the league. He, along with sophomore, Dave Gillette made the 1969 G-O All Star Basketball team. Even though the quarterfinals brought defeat, the spirit the boys instilled in the crowds will long be remembered by the parents and students who faithfully attended each game.

LAST YEAR'S VARSITY "CHAMPS"

Cheers from the bench.

VARSITY CHEERLEADERS

This year's Varsity Cheerleaders had the distinction of being the only squad in the Genesee-Orleans Area to have a foreign exchange student as a fellow cheerleader. The girls marked another achievement by obtaining new uniforms after a few mixups and a lot of sewing. They brought new cheers into their schedule, and revised many of their old ones. They helped encourage spirit by posters and signs in the halls and the gym, taught young girls from our area how to cheer, and in general led the sports fans not only in cheers but by good example throughout the season. The seniors that are leaving the squad this year are confident that next year's squad will be one the school will be proud of.

Patti Ivison, Yoko Sasa, Marcia Torcello, Karen Weber, Jan Gilbert, Jane Salisbury, Sue Reinisch, Janet Ivison, Ann Fox.

J.V. CHEERLEADERS

The J.V. Cheerleader's of 1968-1969 showed the sports fans at B-B what practice and determination does. The girls graced the floor with pep that not only encouraged their team, but also the crowd. They helped all season with gym posters and decisions about cheers; revising some of the ones that had been around a long time. The girls were excellent examples of the feminine side to our J.V. sports.

Byron-Bergen's newly organized Ski Club attracted many members. They met regularly to plan ski trips to various nearby ski areas, but the weather was uncooperative. The club, however, did ski at Honey Hill where most of the beginners received their first lesson, and a day trip to Swain was planned. Throughout the winter season ski club members followed the skier's motto—"Think Snow!"
